**Communication to VicRoads re.
Trees Overhanging Research-Warrandyte Road, North Warrandyte**

In quick response to WCA's letter to Vic Roads local MLAs Ryan Smith and Danielle Green responded with a letter of support to Vic Roads from Ryan Smith and an approach to the Minister for Roads and Ports from Danielle Green. Ms Green's office subsequently phoned to say that work would commence on 25 January over a four week period. So far no trees appear to have been trimmed or removed.
