

ALL YOU NEED TO KNOW ABOUT

BUSHFIRE RESILIENCE INC

BRI (Bushfire Resilience Inc) was founded in 2020 in response to the devastating fires in south-eastern Australia. We're a community-led, non-profit association providing practical info loaded with steps your household can take to be better prepared for grass fire and bushfire risks

**5 new
webinars in 2023**

"I am so grateful that every one of you working on this webinar series are dedicated to educate others (me included) with this life saving and asset saving information"

Resource Hub

Visit our **Resource Hub** to watch any of the 15 webinars from 2020 to 2022, read transcripts, explore bitesize topics, and watch interviews with people impacted by a bushfire

"The idea of being caught in a bushfire terrifies me but with every webinar I watch I feel more confident, and my plan is evolving. I feel much more confident about what to do as a last resort now"
